Objective

To maintain my position on the North Texas Region Junior Board where I have served for the last 11 years.

Work Experience

08/2000 – Present **Tejas Volleyball Club, Coach** North Richland Hills, Texas

- Responsible for managing all facets of the Tejas Volleyball Club, a respected volleyball program in North Texas. The Tejas Volleyball club has quickly grown from 1 team with 10 athletes to over 34 teams, 350 athletes, and 40+ coaches. Implemented several youth development programs that have been instrumental in the growth and success of the volleyball club. Consistently maintained a status with USA Volleyball as a "Club in Good Standing". Most importantly, I have created a positive environment, for both the athlete and the parent that allows the athlete the ability to progress in their development.

01/2012 – 05/2017 **Boswell High School, Head Coach/Teacher** Fort Worth, Texas

- Oversee the entire volleyball program at the school – middle school and high school. Prepare budgets for the volleyball program, ensuring that we have the necessary equipment to train the athletes at a high level. Also responsible for implementing a district wide training program that got all athletes, no matter what school they attended, trained in the same principles necessary to be a successful volleyball player. This program created unity throughout the entire district, expediting the learning curve of each of our athletes and perking their interest in the game of volleyball.

08/2008 – 12/2011 **Fort Worth Christian High School, Head Coach** North Richland Hills, Texas

- Responsible for the duties associated with building and running one of the best private school volleyball programs in the state of Texas. Also instrumental in raising money to assist in the growing program and the equipment needed to keep the program growing. Enjoyed tremendous success at the high school level over the 4 years, winning 3 district championships, 3 trips to the State Final 4, 1 State Runner-Up, and 1 State Championship.

06/2006 – Present **USA Volleyball – North Texas Region, Board Member** Plano, Texas

- Involved in the recommendation and implementation of policy and procedure aimed at improving the volleyball community (players, parents, coaches, and officials) in the Region. The region territory spreads as far west as Abilene, north to Oklahoma, east to Louisiana, and south to Waco. I have served as the Committee Chairperson for several committees, including: Ethics & Eligibility, High Performance Program, Coaching Education, Tryout Procedures, and Budgeting.

Education

05/1999 **Rutgers University** Newark, New Jersey

B.S. Business Management – Minor: Economics
